

I'd like to become a vendor at your shop!

What is a typical vendor to expect at our shop? The typical vendor rents a space in the back room of our shop. Typical spaces are 5' x 4' in size (20 square feet). Rent for that space or larger is \$4 per square foot per month...or \$80 for the typical space. Rent is due on the last day of the month. Vendors get 100% of their sales minus 3% if done via credit/debit card (because we get charged 3%). Vendor checks are paid out twice a month (1st day and 16th day). You supply your own display racks, etc. Electricity is free for vendors. Hang pictures on your walls. Contracts are six months in duration. Generations Antiques and More is open 7 days per week.
